Contents

1   How to change background of plot from black to white?

in GUI `PlotCtrls->Style->Colors->Reverse Video`

Thanks to `http://www.padtinc.com/blog/the-focus/making-pretty-plots-in-ansys-mechanical-and-mechanical-apdl`

2   Scaling in plot

To get real scaling for displacement so

`PlotCtrls->Style->Displacement scaling -> True scaling`
